

Jim Two Crows Wallen

TRUE TALL TALES AND OTHER LIES

This side-splitting, belly laughing program features Jim Two Crows Wallen sharing stories of growing up in the Ozarks. Although he was raised in Independence, Missouri, Jim spent most of his summers on his grandfather's 300 acres in Benton County, Missouri. Jim's grandfather Jimmie Crow Wallen was by far the best tall tale teller he ever knew. Be prepared to be pulled into a story that will have you asking, "Did Granddad Really Say That?"
